## CONDITIONS AND RESTRICTIONS

1. Permittee shall at all times give strict attention to the safety and right of the traveling public. Moving shall be done during daylight hours except between the hours of 7:00 am – 8:30 am and 4:00 pm – 6:00 pm. No moving shall be permitted Sundays, legal holidays, or when visibility is less than 1,000 feet.
2. All vehicles and loads with length, width, or overhang in excess of the legal limit shall carry one of the following signs mounted both on the front and rear of the vehicle or load: Caution – Wide Load Ahead; Caution – Wide Load Following; Caution – Load Ahead; Caution – Long Load Following; Caution – Excessive Front Overhang; Caution – Excessive Rear Overhang. One of these signs shall also be mounted on each pilot car, which may be convoying the load. The most appropriate of these signs cautioning the traveling public shall be used. The signs shall have a bright yellow background with minimum project area of 440 square inches.
3. On all City roads the following pilot car requirements shall apply:

One Pilot Car*	
Width	12 ft to less than 14 ft
Length	66 ft to less than 75 ft

\*One pilot car preceding the load on two-lane roads and following on multi-lane roads.

Two Pilot Car**	
Width	Greater than 14 ft
Length	Greater than 75 ft

\*\*Use two pilot cars on all roads, one proceeding and the other following the load; and shall have a police escort.

PILOT CAR REQUIREMENTS			
	One Pilot Car	Two Pilot Car	Police Escort
Width	12' - 14'	Greater than 14'	Greater than 14'
Length	66' - 75'	Greater than 75'	Greater than 75'
Height	Greater than 17' (W/ Height Pole)	-	Greater than 17'

4. When crossing bridges or on roads so narrow that it is impractical to keep the entire vehicle and load to the right of the centerline of pavement or traveled way, one flagman shall be posted behind and one flagman ahead of vehicle to warn and direct approaching traffic. No over-legal weight vehicle shall drive onto any bridge when it is obvious to the driver that to do so his overweight vehicle will occupy the bridge at the same time as another truck or bus.
5. Notwithstanding any listed roads on this permit or on the attachments thereto, no vehicle shall exceed the limits posted for any road or bridge.
6. It is understood and agreed that the Permittee will be held responsible for any damage to City roads, bridges or road facilities resulting from the movement of any equipment named on this permit.
7. The Permittee is responsible for all liability for injury to or death of any person or damage to property which may occur through any act or omission of either the Permittee or the City of American Canyon. In the event any claim, suit or action is brought against the City of American Canyon, its officers, or employees thereof, by reason of, or in connection with any such act or omission. Permittee shall defend, indemnify, and hold harmless the City, its officers and employees from such claim, suit or action.
8. Proof of Automobile Insurance shall be provided at each application submittal.
9. Any City employee having reason to believe that a vehicle is not safely loaded or that the height, width, length or weight of a vehicle and load is not as stated on the permit may require the driver to stop and submit to an inspection, measurement, or weighing of the same. The employee may require the vehicle to be driven to the nearest scale facility for this purpose.
10. Under this permit, no trees shall be cut, trimmed, used for attaching cables or in any way disturbed unless specifically authorized by a separate Encroachment Permit.
11. Single trip permits require notification by the Permittee to the agency representative at (707) 647-4576 before starting the move. When a building is to be moved within the City of American Canyon, permittee shall give notification 72 hours prior to starting the move to both the City and the fire districts in which the building will be moved. Failure to notify will constitute a violation of this permit.
12. Permit is void in all construction zones.
13. Permit may be revoked at any time at the discretion of the Director of Public Works.
14. Permittee is responsible to check all underpasses, overcrossings, bridges, overhead wires or other structures for impaired vehicle clearance and to arrange clearance or alternative routing before commencing travel.
15. Vehicles with loads exceeding 14 feet in width, 17 feet in height, and/or 75 feet in length require police escort. Please contact the agency representative at (707) 647-4576. Movers shall give notification 72 hours prior to commencing move. Failure to notify will constitute as a violation of this permit.
