

# Neighborhood Watch Signs

Steps to get them:

- Neighborhood Watch Groups determine the locations they would like to have the signs placed (on street light poles) in their neighborhood, then purchase the signs from any source. A few websites are:

- The size required is 18" x 24". The preferred style is "Boris the Burglar"
- The Group then requests installation from the City of American Canyon's Public Works Department by contacting the Streets Supervisor at (707) 647-4590 or [bdunn@cityofamericancanyon.org](mailto:bdunn@cityofamericancanyon.org) and providing the closest address(es) and pole number of the chosen installation pole(s). The request will be reviewed and once approved; the Group may drop off the sign(s) to the Corporation Yard (205 Wetlands Edge Road). The scheduling of the installation will be completed at the discretion of the Streets Supervisor and the Group will be notified when the installation has been completed (usually within 30 days).
